REIMBURSEMENT OF COBRA EXPENDITURES

Section 5.XXX

Page

This section provides appropriation request payments directly from the federal stimulus package funds that would have gone to the federal government into the State's three health care plan funds, MCHCP Benefit fund, MoDOT/MSHP Medical & Life Insurance Plan, and the Conservation Employee's Benefit Plan. As part of the federal stimulus package, the State will be issued a partial credit of the amount of the employer match of OASDHI that must be paid to the federal government. The funds retained by the State are to be used to cover a portion of the health care premiums paid by former State employees who have continued coverage pursuant to the 1986 Consolidated Omnibus Budget Reconciliation Act (COBRA). The appropriation does not increase the amount of funds expended by the State, it just provides the appropriation authority to distribute funds for the correct purpose to the correct benefit recipients. The Federal Act extended benefits to be paid through August 2011.
